Explanation of the registration for foreign participants with weapons:

Foreign participants must make their weapons known through documents from the relevant country. This can be your own permit, a deactivated statement, a purchase receipt or something similar. It is important that you indicate which weapon it is, whether or not supplemented with photos so that the police can check you and/or whether the weapon is allowed in the Netherlands or during the event.

Please note: Weapons that are not allowed in the Netherlands are also not allowed at the event, of course. If you have any questions, please contact us as an organization. The programme of Liberation Festival Brielle 2025 can be found on the website; <https://www.bevrijdingsfestivalbrielle.nl/>

Thank you very much in advance for subscribing.

Kind regards, Stichting Bevrijdingsfestival Brielle, on behalf of the organization
